COMFORT

in aged care

Comfort bringing spice to life

Nestled away at the foot of the magnificent Dandenong Ranges in leafy Kilsyth, Kirkbrae Aged Care is a community where everyone is individually respected.

We celebrate diversity at Kirkbrae by offering the comfort of more choices, while providing full support with respect and compassion.

Alongside our retirement village, Kirkbrae Aged Care provides holistic and complete ageing in place options.

Comfort of a private room

With a choice of single rooms or suites all rooms have a personal en-suite designed to maintain dignity and pride. All rooms have natural light from large windows, and residents enjoy the beautiful views over established gardens.

You will find space for some personal furniture and keepsakes, and technology to keep you in touch with the world, an emergency call system, telephone, TV and internet services.

A favourite for all tastes at meal times

Delicious, wholesome meals are prepared on site by qualified chefs, under the guidance of a dietician.

The incredible variety of main course options on the lunch menu ensures there is always something to tempt the taste buds of residents. Special cultural or traditional options are also available.

Smaller dining areas at Kirkbrae have inspiring garden views, and give residents the opportunity to form closer friendships.

Comfort in garden surrounds

The lush, landscaped grounds of Kirkbrae provide a relaxed environment to share with family and friends.

Quiet garden areas are beautifully maintained, and ideal for peaceful reflection or to watch the local birdlife.

Gently undulating and level paths wind through the established native trees shading comfortable resting areas, and the lawns are perfect open places for family and friends to share valued times with residents.
